

Next Generation Sequencing (NGS) Workshop

Online hands-on workshop for non-coders

About

NGS is a transformative technology powering modern **genomics**, **precision medicine**, **diagnostics**, and **biotechnology research**.

This workshop is designed to provide participants with a strong **conceptual foundation** and **practical understanding of NGS workflows** used in real-world applications.

Highlights

- Beginner-friendly curriculum
- Live, interactive online sessions and group projects
- Guest speakers from Universities like Harvard, Yale and FSU
- Hands-on NGS Data Analysis
- Industry relevant exposure to genomics and sequencing
- Career Insights and Opportunities in Genomics
- Access to Session Recordings and Resource Repository
- Certificate upon successful completion

Who can Apply

- Students: B.Sc., B.Tech., M.Sc., M.Tech.
- Professionals: Research Scholars, Faculty, Industry professionals
- Fields: Biotechnology, Pharma, Life Sciences and other allied fields

Registration

- **Early Bird: ₹2499/-**
Until 30th June 2026
- **Regular: ₹2999/-**
After 30th June 2026

Scan to Register

Starts: 13th July 2026

Duration: 30 Days

Mode: Online interactive sessions
